To all members of Prince Hall Grand Chapter OES, Elected and Appointed Officers and Subordinate Chapters

Subject: Grand Ways and Means

Greetings:

I hope this letter finds you in the best of health. We are blessed to have entered into 2021. My continued prayers are with you and everyone who has been affected during this unprecedented time.

Last year was challenging for us and our organization but, by the Grace of God, we survived!

Under normal circumstances, we would be actively selling tickets for our annual boat cruise around Puget Sound. It was our biggest event that brought in thousands of dollars. However, we continue to be under "STAY AT HOME ORDERS" by the Governor, which prevent us from having fund raising events; especially those that require a large number of participants, in order to make a profit.

It is difficult for me to come to you with such a request under these circumstances. However, Grand Ways and Means is requesting your support of a monetary donation of your choice. Any amount you donate will be greatly appreciated.

Remember, COVID 19 is real! Continue to practice safe distancing, and, utilize all tools indicated to stay healthy.

My continued prayers are with all of you. This too will pass.

Make Check or money order payable to:
