“Feed the roots and nourish the new growth”

Grand Worthy Matron Bartholomew Acceptance Speech

“For everything there is a season ...a time for every matter under heaven ... a time to plant, and a time to pluck up what is planted.”-Ecclesiastes 3:1-2

First giving honor to God from whom all blessings flow and who is the center of my life. Thank you for electing me as your Grand Worthy Matron. It is indeed a privilege and an honor. I will do my best to govern in a manner to prove myself worthy of this prestigious position as your Grand Worthy Matron. I am prepared for what lies ahead and will fill the station creditably. I ask your support in doing that which is best for this Grand Chapter and for the Order.

A change of season is a time when all nature seems to be caught for a moment somewhere between what was and what will be. It is time to prepare for the months ahead. The motto to keep in mind is, “Feed the roots and nourish the new growth”. This year’s focus of attention will be on the abused, neglected, and abandoned youth.

As we take our journey through the next phase, I hope with your assistance that this will be the season of reflection and growth. By the grace of God, things will get better. Let’s kick it up a notch, step out into the community and let us be known. Break the barrier of questions and reveal who we really are as Eastern Stars.

Fraternally,

Theresa Bright Bartholomew
Grand Worthy Matron
